## You can make a difference

As parents, guardians and friends of Clifton Springs Primary School students, you are welcome to join the Parents and Friends Association. Your involvement on any level is encouraged and appreciated. Your ideas, talents and contribution make Clifton Springs Primary School a better place for children to learn and grow.

The Parents and Friends Association (PFA) form a vital link between parents, teachers and the school leadership team.

Working together, we create a mix of social and fundraising events to improve the school facilities and provide extra resources to enrich our students' learning experience.

Don't worry if you cannot commit to monthly meetings, they are not compulsory. Volunteering at events is just as appreciated and rewarding.

We have a lot of fun making a better school for our kids.
